Dear Sir:

In response to the Notice to File Corrected Application Papers ("Notice"), Applicants submit herewith (a) eighteen (18) sheets (Figure 1A-R) of formal drawings for filing in the above-identified application; and (b) a copy of the Notice. The margins of Figure 1A-R have been changed to comply with 37 C.F.R. § 1.84(g) and the font size, contrast and clarity has been improved to facilitate viewing. In addition, Figure 1A-R has been amended to include the SEQ ID NO. for the nucleotide sequence represented to comply with the requirements of 37 C.F.R. §§ 1.821-1.825. The replacement drawing is supported by the drawings as originally filed and by the specification. Therefore, Applicants believe the replacement drawing adds no new matter. Kindly substitute the enclosed drawing for the drawing submitted with the originally filed application. No fee is believed to be due with the submission. However, if any fee is due, please charge our Deposit Account No. 500479.

Respectfully submitted,
